conferences i/o

We're going to be using a product called Conferences i/o that will allow you to engage with us during this session. **All responses are anonymous!**

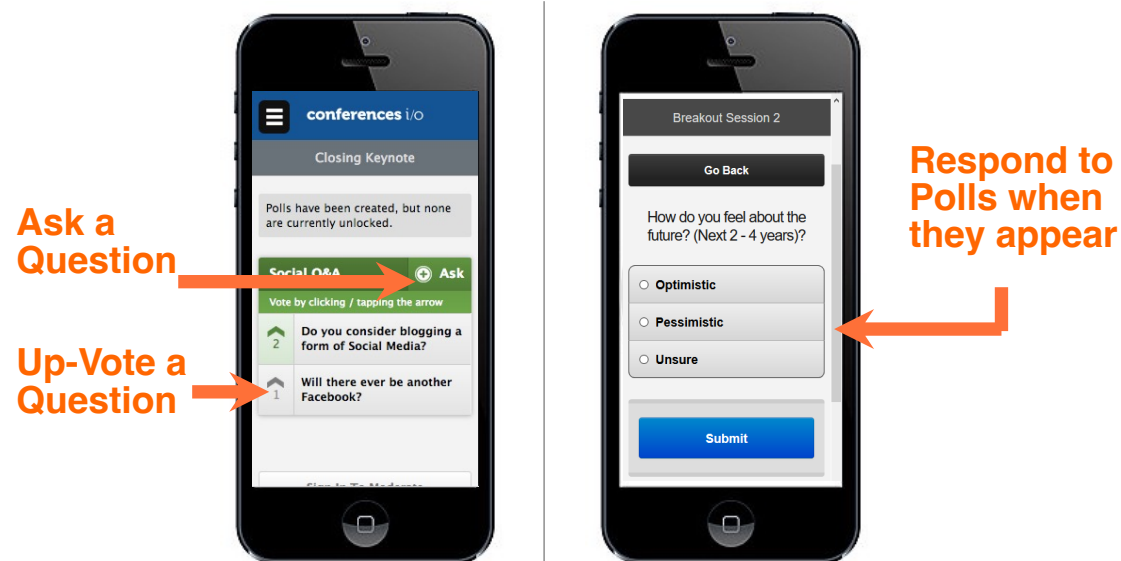

If you have a mobile device (smartphone, tablet, laptop, etc.) please take a moment now, and go to <https://taoofrisk.cnf.io>

The Conferences i/o app allows you to ask questions, up-vote questions other attendees asked and respond to polls when they appear on your device, all in real time!
